## Features

Designed for generous storage capacity without compromising on performance or comfort, this 330-litres TOTAL NO FROST fridge freezer combines advanced cooling technology with everyday convenience. It features Super Cooling and Holiday functions, an over-temperature indicator, and a self-supporting hinge installation system. The efficiently designed interior includes three glass shelves, six door balconies, and three spacious freezer drawers, providing practical and well-organized storage for all your food. The TOTAL NO FROST system with automatic defrost prevents ice build-up, while the digital controls and temperature display ensure intuitive operation and precise temperature management. The freezer compartment also features an adjustable temperature range from -15°C to -22°C, allowing you to adapt the settings to different food storage requirements.
