

Induction hob with Teppanyaki plate 40

CPH 402 ID TY TC X/2

- Touch control
- Stainless steel finish
- 2 independent cooking zones
- Digital power level indicator
- Timer for each zone
- Stainless steel plate (10 mm)
- Groove for collecting cooking residues

Features

This hob features a 1 mm thick edge. This way, it can be flush-mounted or semi-flush-mounted on the kitchen's countertop. With the induction Teppanyaki plate, heat is distributed evenly between the two areas of the plate, cooking food naturally without seasonings. The hob includes an end-of-cooking beep, a touch control lock and a residual heat indicator (H).
