

48" wall-mounted hood

FPRHD 482 TC MBK

- Soft touch controls
- Matte Black finish
- 2 motors
- Suction power 1,450 m³/h
- 4 extraction levels
- Power off timer
- Sound power from 48 to 75 dBA
- 2 LED bars
- Stainless steel labyrinth grease filter + filter saturation warning light
- Oil drip tray + non-return valve
- Energy Class A

Features

The 48" wall hood comes in two different finishes: stainless steel and matt black. Designed to keep the kitchen environment free from smoke, steam and excess heat, it is equipped with two powerful motors which, in combination with the stainless-steel grease filters (Baffle) allow odors to be expelled in silence. With the HP activated carbon filter accessory, the hood can work in filtering mode. The LED lighting guaranteed by two side bars illuminates the cooking surface area.

On request:

- 48" stainless steel chimney kit
- 48" matte black chimney kit
- HP activated carbon filter
