## Features

SOFIA 36" PRO GAS is designed for those who appreciate the typical cooking characteristics of a gas oven. Like the other models, this version is characterized by an iconic style recognized all over the world. The professional cooktop is equipped with 6 flexible burners gas oven (Crescendo Dual brass burners), sturdy continuous cast iron grates and bowl coated with special matt black enamel, which guarantees durability and easy cleaning. The oven is the largest gas oven in terms of size and capacity (161 liters) currently produced by Fulgor Milano. The standard equipment of the oven includes a fully extractable telescopic rack, two flat racks and an enameled tray with anti-splash.
