

Undermount sink

83

P1B 8343 Q U

- Aisi 304 L stainless steel with satin finish
- 900 mm base
- Large single bowl
- Radius 10 for installation
- Bowl depth: 200 mm

Features

The elegant satin AISI 304 stainless steel finish perfectly blends in a modern kitchen, as it combines aesthetics with functionality. This large bowl is mounted underneath the worktop to provide continuity between the bowl and the worktop. It comes with the following accessories: a square one-way drain plug and a one-way siphon.
