

## High Lid BBQ 60

FOBQ HL 600 X

- Stainless Steel Finish
- Stainless Steel Tubular Handle
- External Thermometer
- Internal Temperature Control

## FEATURES

Tall lid for BBQ 60, made of durable AISI 316 stainless steel. This lid not only adds a touch of elegance to your barbecue, but is designed to provide optimal performance. Equipped with an external thermometer for precise temperature monitoring, it allows you to roast your food with precision. The tubular steel handle ensures a firm and secure grip, while the keep warm feature keeps your food warm.
