

30" Combined Steam Oven

FCSO 310 TEM BK

- Black Glass finish
- 12 combined functions
- AirFry (oven-frying) function
- Creative Extended controls
- Meat probe
- Steam recovery cycle
- Combined cooking
- CLEAN assisted cleaning cycle
- 3-pane glass cool-touch door

Features

The control panel includes various functions, such as preset cooking programs and the ability to modify recipes. Thanks to the temperature probe (Meat Probe), perfect results can be achieved: it will be easy to monitor the cooking progress by measuring the core temperature of the food. The standard accessory kit includes a temperature probe for food, a perforated tray with a lid, a stainless steel support for the perforated tray, a stainless steel tray, a flat grill, and a jug for water.
