

ARIA+ induction 80

FHH 800 ID TC BK/2

- Multi-Control Touch Slider
- Black Glass Ceramic finish
- 4 cooking zones (2 vertical bridge zones)
- 9 power levels + Booster
- Chef function
- Temp. maintenance function
- Timer
- Power limit (optional)
- Built-In extraction hood
- Extraction booster
- Energy Class A++

## **Features**

Induction hob with incorporated extraction hood equipped with a patented waterproof motor. One home appliance combining a high-performance hob with an efficient on-surface extraction. The Chef function allows you to differentiate the temperature of the cooking zones. Other functions include: adjustable delayed auto power off, grease filter maintenance warning, a light indicator for the regeneration of activated carbon ceramic filters, and automatic extraction hood power-off when the flap is closed. Moreover, this product comes with the following accessories: an anti-grease filter kit including a surface cleaning scraper. The tube kit and carbon filter kit are available on request:
