## Features

This product stands out for its classic user-friendly knob control completed with a functional digital display. The various timing functions are easy to set and clearly intelligible. The oven features a 34 l stainless steel cooking chamber. Moreover, it's fitted with an efficient safety system, including a door with a safety lock, a door contact switch, and tangential cooling ventilation. The appliance comes with the following accessories: a glass turntable plate, a flat grill rack and a round grill rack.
