Features

This product stands out for its user-friendly knob control completed with a functional digital display. The various timing functions are easy to set and clearly intelligible. The oven features a 65 l ultra black enamelled cooking chamber. Moreover, it's fitted with an efficient safety system, including a door with an automatic lock during the self-cleaning cycle, a control panel with safety switch and tangential cooling ventilation.

This product comes with the following accessories: set of fully removable telescopic rails, a tray, and two flat grill racks.
