Features

The control panel has different functions, including preset cooking functions and the possibility to modify the recipes. Fulgor Milano combi oven is the solution to heat and cook food quickly, combining the advantages of a microwave oven with a traditional ventilated one. A complete and performing household appliance in a small space. With the microwave & ventilation function, you can cook golden broan dishes on the outside and well-cooked on the inside. This product comes with the following accessories: a glass turntable plate, a stainless steel tray, a flat grill rack and a round grill rack.
